

|-----| Installatie |-----|

|

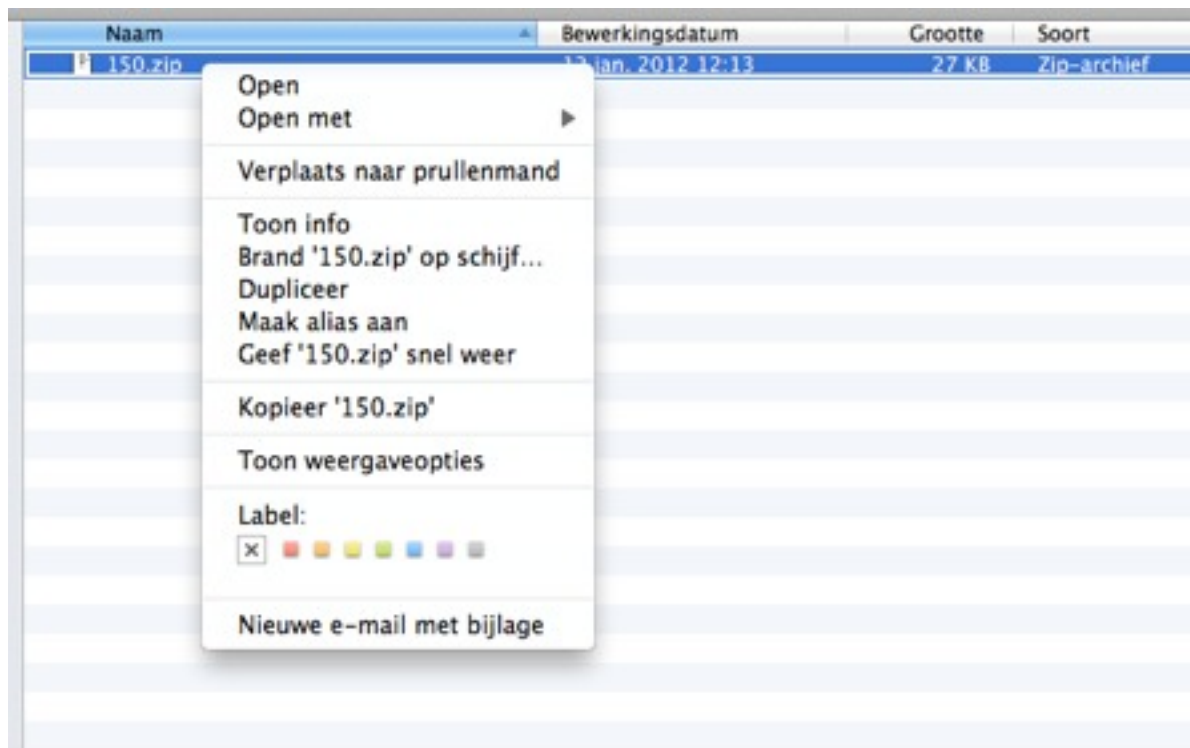

| - Deze iDEAL Betaalmodule is geschikt voor OpenCart 1.5.0+

|

| - Procedure

|

| 1. Pak de meegeleverde zip bron bestanden uit.

| 2. Kopieër de structuur van de zip bestanden naar de FTP (Sleep niet de 'admin' en 'catalog' naar de FTP server)

Naam	Bewerkingsdatum	Grootte	Soort

molie_ideal_fail.tpl	10 jan. 2012 14:40	600 bytes	Document

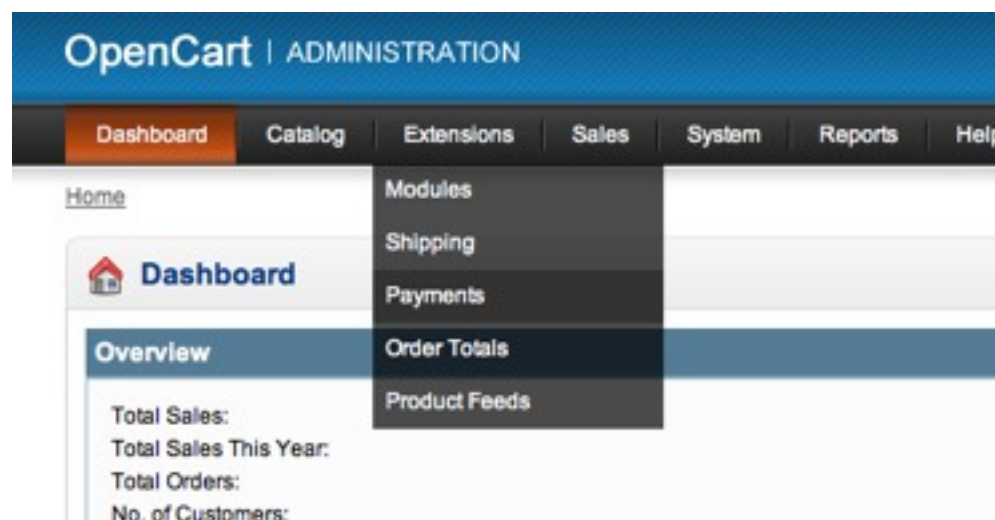

- I 3. Ga naar uw 'OpenCart' Database (bijv. PhpMyAdmin)
- I 4. Voer de volgende queries uit (Mocht u een database prefix hebben zet deze er handmatig bij):

```
CREATE TABLE IF NOT EXISTS `mollie_ideal_payments` (
  `order_id` int(11) NOT NULL,
  `entity_id` int(11) NOT NULL,
  `transaction_id` varchar(32) NOT NULL,
  `bank_account` varchar(15) NOT NULL,
  `bank_status` varchar(20) NOT NULL
) ENGINE=InnoDB DEFAULT CHARSET=utf8;
```

- I 5. Als u de bovenstaande query succesvol heeft uitgevoerd, ga dan naar uw OpenCart AdminPanel (Beheerderspagina)

- I 6. Ga in het menu naar 'Extensions' en selecteer 'Payments'

I 7. Na een correcte afhandeling zou onze Betaalmethode zichtbaar moeten zijn in het ‘*Payments*’ overzicht

I 8. Klik vervolgens op ‘*Install*’ en daarna op ‘*Edit*’

I 9. Stel uw instellingen in naar behoren

The screenshot shows the OpenCart Administration interface. At the top, there's a navigation bar with 'OpenCart | ADMINISTRATION' and a user login status 'You are logged in as root'. Below this is a menu bar with 'Dashboard', 'Catalog', 'Extensions', 'Sales', 'System', 'Reports', and 'Help'. The main content area shows the 'IDEAL by Mollie.nl' module configuration page. It includes fields for 'Status' (set to 'Enabled'), 'Testmode' (set to 'Yes'), 'Partner ID' (123), 'Profilekey' (123), 'Description' (Bestelling %), and 'Sort Order' (1). At the bottom, there's a 'Module' section showing 'IDEAL version 2.1.8 (Stable)' and a 'Support' section with contact information for Yousaf Arshad Mollie B.V. A 'Powered by Mollie' logo is also visible.

I 10. Uw klanten kunnen nu gebruik maken van iDEAL

The screenshot shows the OpenCart Checkout page. It has a progress bar with steps: Step 1: Checkout Options, Step 2: Billing Details, Step 3: Delivery Details, Step 4: Delivery Method, Step 5: Payment Method, and Step 6: Confirm Order. The 'Payment Method' step is active, showing the 'IDEAL' option selected. Below this, there's a section for 'Add Comments About Your Order'. At the bottom, there's a 'Confirm Order' button and a footer with links for Information, Customer Service, Extras, and Account.

The screenshot shows the OpenCart Checkout page, specifically the 'Confirm Order' step. It displays a table with the following data:

Product Name	Model	Quantity	Price	Total
Item Title	Product 2	2	270.00€	540.00€
Carton 005.00	Product 1	1	80.00€	80.00€
			Sub Total:	620.00€
			Flat Rate:	5.00€
			Total:	625.00€

Below the table, there's a 'Confirm Order' button and a checkbox for 'I am not a robot'. The footer is identical to the previous screenshot.

I - Einde

I Heeft u vragen of tips dan horen wij die graag van u
